SEPTEMBER MEETING SPONSORED BY GARRETT-STOTZ

MONTHLY MEETING WILL BE HELD SEPT 20, AT 6:00PM EST AT:
FARMERS FEEDMILL 110 SEQUOIA DR., LEITCHFIELD, KY
Mark your Calendars!

Summer is winding down, and fall is just around the corner! We are gearing up for some great upcoming events in the industry here in the last quarter of the year. We've included information on these happenings in this month's edition of the newsletter, and hope that some of you have time to attend. The TIM training has proven to be a valuable asset to those in the industry.

After our break in August, we are excited to get back in the swing of things for TRAK. We are much appreciative of everyone's participation and would like to welcome our new associate members that we've picked up in the last couple months.

We're looking forward to seeing everyone at our September meeting in Leitchfield this month. Invite someone, let's all help our association to grow!

GARRETT - STOTZ
INSURANCE & BONDS

Garrett-Stotz Company is a premier insurance and benefits provider in the Metro Louisville area and the surrounding region. As an independent insurance agency, Garrett-Stotz Company has access to multiple insurance products which translates to competitive pricing, a broad selection of options and unparalleled customer service. We invite you to review our wide array of insurance services categorized in four areas of expertise: personal insurance, business insurance, group benefits and surety bonds.

Mark Russell has been in the insurance industry since 1975. Experience on both the Independent agency side and as an insurance company underwriter. Mark is a Certified Risk Manager and Certified Insurance Counselor by the National Alliance.

Utilizing his extensive experience and knowledge of the insurance industry, is better equipped to service your insurance needs. Mark brings a unique perspective to his clients after being on the underwriting side of the business for over 20 years. This experience helps to present your company to an underwriter to get the best coverage and pricing.

Mark's goal is to build long lasting relationships with my customers. Being there to help solve problems before they happen. We have a great mixture of national and regional insurance companies. Mark works to develop the insurance program that fits customers for the long haul.

Traffic Incident Management Training

There are a few dates left this year for those that are interested in participating in this program. The following is an excerpt from the Program manager, Martha Horseman:

“The Kentucky Transportation Cabinet and Federal Highway Administration—KY division in partnership with the University of Kentucky’s Technology Transfer program (T2) are pleased to offer the TIM training. The program is designed to teach participants the requirements for safe, quick clearance at traffic incident scenes; prompt, reliable and open communications; and motorist and responder safeguards.”

The full memo and registration form is available on our website www.trak-inc.com under ‘[TRAK news and events](#)’ section. We encourage anyone that can, to partake in the event. This class will include folks from law enforcement, fire/rescue, EMS, towing and recovery, dispatchers, among several other agencies. Training is free of charge, however space is limited. Dates are as follows:
